Next Generation Golf

Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our system track your performance.

Four Games in One

Our App includes:

The Perfect Game (1 Player)
Golf Stars (2 Players)

Tournaments Included

Invitationals and Opens

Play for cash and other prizes!

Game Lists

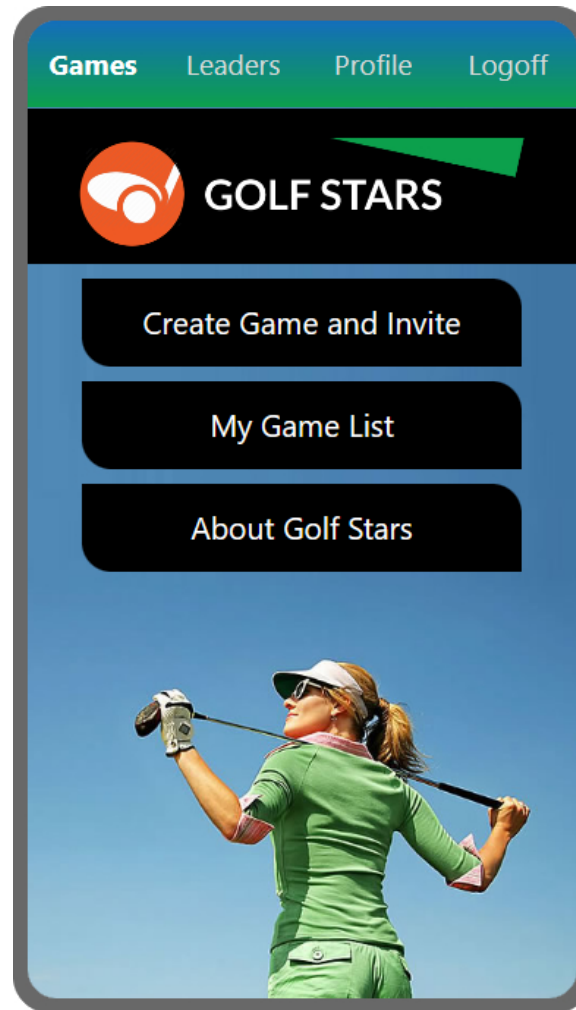

Create games and invite players. Play solo, head to head or against multiple players. Select courses on which to play that are in our system.

Scorecards

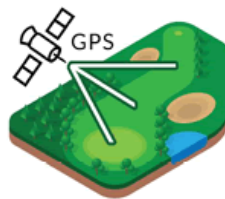

When you follow the prompts in conjunction with the GPS that determines your middle of green distance, scoring is automatic within the App. Scoring is a percentage of shots made vs shots missed.

Profiles

You will have a profile admin dashboard where you can manage your preferences. That information will also create a public profile for others to see.

Leaderboard

Golfers will receive a placement in the leaderboard when their points are high enough to qualify for the next annual playdown leading up to the final in our year-end tournament.

Tournaments

The top 16 golfers will be eligible to compete in the year-end playdown. The top 4 golfers will then play head-to-head in the year-end tournament final for cash and other prizes.
